

College Parent Portal

Welcome to the new safe & secure online delivery of parent information.

To assist us in providing a more comprehensive list of information and services, the College has devoted a section of our new online learning platform to a Parent Portal.

This will be a one stop location for all parent information including: current & archived Bulletins, College Calendar, Notices, Notes, Letters, Forms and Documents.

Soon we will be in contact with families directly via email, with a procedure to register for this site. Until then please use the generic login information found below.

It is therefore very important that the email address on the enclosed Confidential Parent Information sheets is checked and corrected if necessary and returned to the College as soon as possible.

If you have any questions or problems, please contact the ICT department at parentportal@btac.nsw.edu.au.

The left sidebar contains a "Main Menu" with links to Site news, IWISE - Staff, Oliver - Library, Webmail - Email, and Google Search. Below this is a "My Courses" section with a tree view showing "BTAC iLearn" and "Parents" (with sub-items: Friends, Forms/Documents, Notes/Letters) and a link to "Enrol in another course".

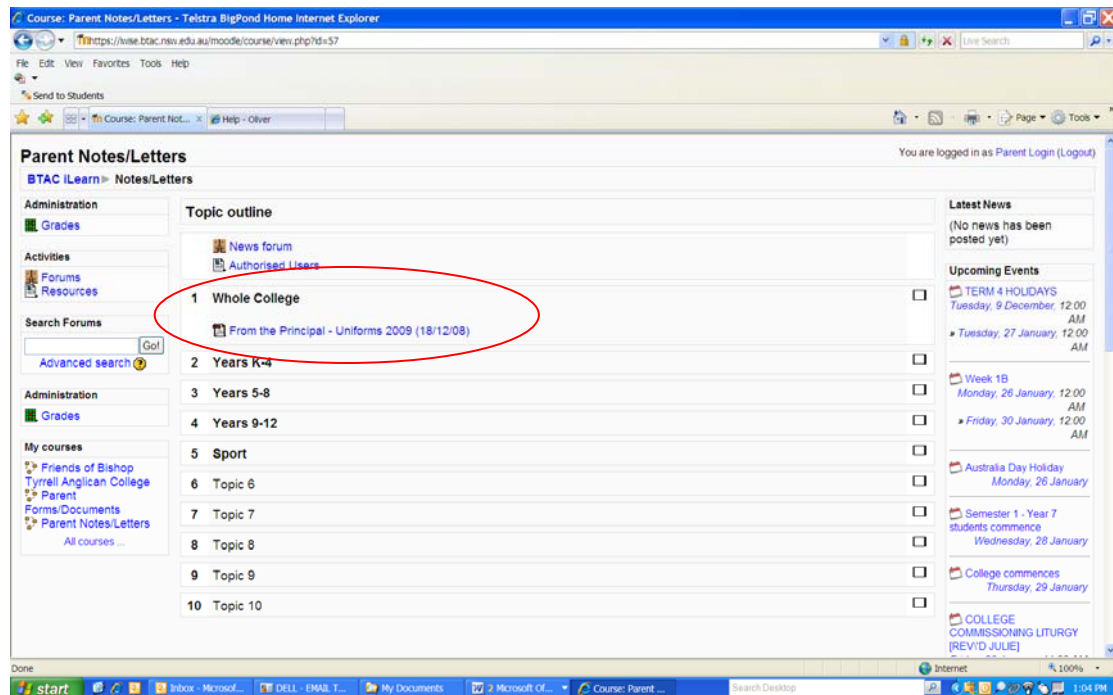

The right sidebar features a "Calendar" for January 2009 and "Upcoming Events" including "TERM 4 HOLIDAYS" (Tuesday, 9 December, 12:00 AM to Tuesday, 27 January, 12:00 AM), "Week 1B" (Monday, 26 January, 12:00 AM to Friday, 30 January, 12:00 AM), "Australia Day Holiday" (Monday, 26 January), "Semester 1 - Year 7 students commence" (Wednesday, 29 January), and "College commences".

Red circles highlight the "My Courses" section, the "Calendar", and the "Upcoming Events" section.

Calendar [Right side]: The calendar is updated instantly whenever items are added. Clicking on the calendar link on the right brings up a whole page view of the calendar. Left and right buttons allow movement between the months and clicking on an event will give more detail (if available).

Folders (Courses) [Left side]: This is where College information can be found. There are currently only a few but more will be added over time. Click on the information required (eg. Forms/Documents) and you will be taken to a new page. There information is further divided. Find the item you are interested in and click on the link. The item will then open on your computer.

We look forward to your use of the new Parent Portal and welcome any feedback or suggestions. parentportal@btac.nsw.edu.au Thanks.
