

# Kindergarten Orientation Night

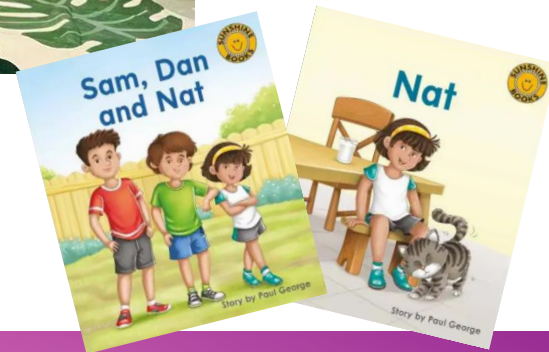

## Junior School Specialist

Mrs Amy Kahler

- Students attend Library once a week and borrowing 1 picture book or non-fiction book each week.
- Students can only borrow if they have a library bag. Loan period is 2 weeks.
- Parents encouraged to read to students each night, asking questions throughout the reading.
- Term 3, they begin to bring home two readers as well.

# LIBRARY

# MUSIC

in Kindergarten

Kindergarten attend a 50 minute specialist Music lesson each week

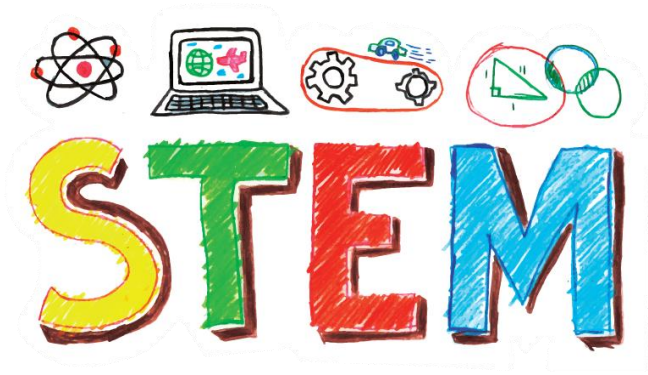

Through singing, movement and playing percussion instruments students are introduced to the Concepts of Music

Lessons are taught by a specialist Music Teacher in a group setting

Kindergarten have opportunities to learn an instrument with a peripatetic teacher with lesson held at the school at an additional cost to parents. This is a private lesson held weekly.

Students are engaged during music time learning repertoire for special college events.

# K-6 STEM PROGRAM

The Bishop Tyrrell Anglican College's STEM Program offers a range of engaging learning sequences integrating Science, Technology, Engineering, and Mathematics. The program helps students develop important 21st-century skills for success in school and beyond.
